

Valley Interfaith Caregivers at TEAM

Volunteer Opportunities Available to Support Valley Elderly

A program that links volunteers to needy elderly in the towns of Ansonia, Beacon Falls, Derby, Oxford, Seymour and Shelton

Valley Interfaith Caregivers at TEAM fills service gaps with dedicated volunteers who provide assistance to elderly and disabled

Volunteers are currently needed to provide transportation to medical appointments, help with shopping and errands, yard work, minor home repairs, light housekeeping, friendly visiting and telephone reassurance.

You can make a difference in the life of an isolated elderly or disabled person. A commitment of 1-2 hours a week is all that is required.
